DUO PEN TRAY

A storage drawer for personal belongings close at hand. From the outside, the drawer appears discreet, as the front consists of one surface, but when opened, more possibilities are promoted. The drawer has two integrated drawers, each of which has an extension length of 110% of the drawer's length.

CHARACTERISTCA:

- Maximum storage - The drawer consists of two levels. The top pull-out shelf comes with an insert, which makes divided storage more manageable. On the other hand, the bottom drawer is supplied with a non-slip rubber mat, so that objects stored in this way do not scratch against the metal.
- Lock included.
