# LAPTOP HOLDER

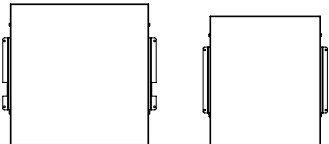

HORIZONTAL - EXTRA SMALL & MEDIUM

---

This horizontal laptop holder from PJ Production is an affordable combination of a drawer and a CPU-holder. The collection consists of two different sizes, which must be installed directly underneath the desktop in order to have the laptop and docking station close by.

## CHARACTERISTCA:

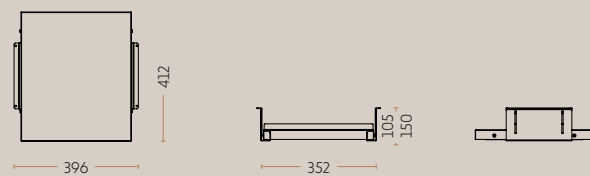

- **HEIGHT ADJUSTMENT:** The standard sizes can easily be changed in relation to a project-oriented assignment depending on the specific demands and needs. The two horizontal laptop holders have setting extraction as standard, which means that they can be extracted 370 mm.
- **SETTING EXTRACTION:** Both sizes have height adjustment on 70-140 mm. and are available in black, aluminium, and white, respectively
