# LOCKABLE TABLET-TRAY

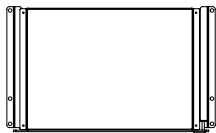

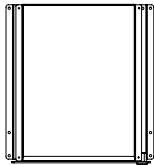

NARROW & WIDEN MODEL

---

Safe storage for iPad/tablet or simply for smaller items. The drawer protects against simple theft since the table tray is delivered with lock and two keys. The Lockable Tablet Tray can likewise be delivered with a high-quality German locking system including a master key if that should be preferable.

## CHARACTERISTCA :

- Drawer with lock and two keys
- The size of the drawer is ideal for an iPad or tablet
- The drawer is supplied with a non-slip rubber mat, so that its contents avoid scratches and knocks
